If you think Edward Jones is like every other large investment firm, think again. We are a leader in the financial-services industry, but we take a personal approach to business, an approach that starts with a face-to-face meeting between a financial advisor and you.

We believe that building long-term relationships with our nearly 7 million clients is key to serving their needs. Whether it's in the United States, Canada, or the United Kingdom, we're located in the communities where you live and work because that's the best way to get to know you and to help you reach your financial goals.

www.firstnbank.com

The mission of the First National Bank is to provide a wide array of quality financial services to our customers, to promote economic growth and development in our communities, to provide a fair return on investment for our shareholders, and to provide a rewarding work environment for our employees.

As Wapakoneta's only locally owned and operated financial institution, Home Savings takes pride in offering old fashion friendly personal service. As a sign of our commitment to grow and remain a part of the local financial community, many new services have been added to better serve our customers. Internet Banking, ATM/Debit cards, checking accounts, IRA's and home equity lines are a few of the new products available to customers.

Friendliness, integrity, service and strength are the cornerstones on which Home Savings Bank was founded and are still the principals on which we conduct business today. Please let us be of service to you.
