

Access to Markets - Interstate 75 at US 33

Easy access to profitable markets

lowers your cost of doing business.

At the intersection of Interstate 75 and US 33, Wapakoneta is truly at the heart of America's Midwestern markets. Companies located in Wapakoneta are within one day's drive of more than 50% of the U.S. and Canadian population and 70% of all North American manufacturing locations. More than 9 million people live within 300 miles of Wapakoneta. Its location is ideal not only to reach U.S. customers, but also to export your products to Canada and Mexico.

Ohio's strong supply chain network across numerous key industries improves your efficiencies and profits. Wapakoneta's location at I-75 and US 33 helps you readily access these suppliers in the automotive, advanced manufacturing, aerospace, agribusiness, logistics, polymer, and financial services industries.

Wapakoneta's easy access to markets can be a major component of your success.
